#### Information Withheld

Some parts of this information release would not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act).

Where this is the case, the relevant sections of the Act that would apply have been identified.

Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it.

Key to sections of the Act under which information has been withheld:

- [23] 9(2)(a) - to protect the privacy of natural persons, including deceased people
- [25] 9(2)(b)(ii) - to protect the commercial position of the person who supplied the information or who is the subject of the information
- [26] 9(2)(ba)(i) - to protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would be likely to prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied
- [33] 9(2)(f)(iv) - to maintain the current constitutional conventions protecting the confidentiality of advice tendered by ministers and officials
- [34] 9(2)(g)(i) - to maintain the effective conduct of public affairs through the free and frank expression of opinions
- [35] 9(2)(g)(ii) - to maintain the effective conduct of public affairs through protecting ministers, members of government organisations, officers and employees from improper pressure or harassment
- [36] 9(2)(h) - to maintain legal professional privilege
- [37] 9(2)(i) - to enable the Crown to carry out commercial activities without disadvantage or prejudice
- [38] 9(2)(j) - to enable the Crown to negotiate without disadvantage or prejudice
- [39] 9(2)(k) - to prevent the disclosure of official information for improper gain or improper advantage
- [40] Not in scope
- [42] 18(d) - information is already publicly available or will be publicly available soon.

Where information has been withheld, a numbered reference to the applicable section of the Act has been made, as listed above. For example, a [23] appearing where information has been withheld in a release document refers to section 9(2)(a).

Hon Carmel Sepuloni  
Minister for Arts, Culture and Heritage  
Parliament Buildings

Dear Carmel

Thank you for your recent engagement on Budget 2021. As you will be aware, we have set a very high bar for the initiatives that will be invited for submission, limited to only the most critical cost pressures and urgent manifesto commitments.

I have considered the cost pressures that you outlined in your letter, and am inviting you to submit the following initiatives in your portfolio:

### **Heritage New Zealand Strengthening and Restoring Turnbull House**

This initiative seeks funding for Heritage New Zealand to strengthen and restore Turnbull House.

### **Royal New Zealand Ballet Cost Pressure**

This initiative seeks funding to meet cost pressures arising from increased costs relating to theatre hire, touring, paying dancers a living wage, and reduced sponsorship revenue.

[33]

### **Sustaining the New Zealand Symphony Orchestra**

[33]

### **Te Papa Spirit Collection Store Replacement**

This initiative should be limited to the business case aspect only, as a necessary first step to informing future Budget consideration of options regarding the optimal type and size of any replacement facility, and how this might be funded.

## **Waitangi National Trust Board Cost Pressure**

I expect that this initiative will include credible options for the Waitangi National Trust Board generating replacement revenue from 2022/23.

Please note that while I have invited these initiatives to be submitted, this does not guarantee that they will receive funding. The Treasury will assess the value for money and relative priority of all initiatives, and this advice will help to inform the shape of the final Budget 2021 package to be decided by Budget Ministers. Therefore, I expect that all initiatives will be supported by a robust case for funding and a strong evidence base, as well as scaling and reprioritisation options.

I understand that, since the date of your letter, the *National Erebus Memorial* cost pressure initiative has been withdrawn on the basis that it can be funded through reprioritisation of existing baselines.

The cost pressures that I have not invited you to submit on should be deferred to Budget 2022 or managed through other levers such as reprioritisation of baseline funding. As per the expectations that I have previously outlined around fiscal management, I will not support any out-of-cycle funding requests for these initiatives unless there is a compelling case for urgency.

Yours sincerely

Hon Grant Robertson  
**Minister of Finance**
