Dear Melissa

Budget 2024 decisions – Economic Development

Following Hon David Seymour's Budget 2024 submission on behalf of portfolio Ministers for the Ministry of Business, Science and Innovation and our discussions over the past weeks, this letter confirms the decisions made as part of Budget 2024. This also includes the decision to return the Tagged Contingency listed in the attached table.

I would be grateful if you could direct your officials to work with the Treasury to prepare the necessary Estimates and Supplementary Estimates material for your sign off by 26 April.

A reminder that these decisions remain Budget Sensitive and should only be shared on a need-to-know basis. My office will provide further advice on the approach to Budget communications. Thank you again for your support towards the successful delivery of Budget 2024.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Nicola Willis'.
