Diana Hawker  
Acting Secretary of the Cabinet

**Vote:** Education Review Office

**Appropriation Administrator:** Education Review Office

**Title:** Information Technology Systems and Property Projects - In-Principle Expense Transfer

**Description:** This initiative seeks an in-principle transfer to manage temporary cost pressures for Information Technology Systems and Property Projects to reflect the uncertainty over delivery timeframes due to resource constraints. The Education Review Office is seeking early confirmation of the in-principle transfer as the projects are planned to start before June 2026 and may straddle the two financial years.

### **Additional Recommendation**

- 2 **authorised** the Minister of Finance and the Minister of Education jointly to transfer up to \$1.610 million in the '*Review, Evaluate, Monitor and Assure the Quality of Education Provision and Delivery Regulatory Services*' appropriation from 2025/26 to 2026/27, following completion of the Education Review Office's 2025/26 audited financial statements, with no impact on the operating balance and/or net core Crown debt across the forecast period.
