Dear Erica

Budget 2026 decisions – Vote Education

Following discussions with Budget Ministers, this letter confirms the decisions made as a part of Budget 2026. I will seek Cabinet's approval to the Budget 2026 package in early May 2026.

The attached summary includes all agreed initiatives under Vote Education for which you are responsible. In the case of cross vote initiatives, the Treasury will work with the agencies to identify the final funding splits.

Please note that these decisions remain Budget Sensitive. My office will provide further advice on the approach to Budget communications.

If any of the decisions in this letter affect the responsibilities of another Minister, I ask that you please refer this letter to them.

Thank you again for your support toward the successful delivery of Budget 2026.

Yours sincerely
